

## International Workshop «Internet Psychology» IntPsy2021

June 25-26, 2021, St. Petersburg, Russia

International Workshop «Internet Psychology» (IntPsy2010) will be held in St. Petersburg, Russia on June 25-26, 2021 as a part of the Conference «Internet and Modern Society» (IMS-2021).

The goal of the IntPsy2021 workshop is to create a platform for experts and researchers' collaboration and discussion of the issues related to the transformations of human behavior and communication in the network society, the influence of ICTs on the cognitive and personal development of children and adults, as well as related to the methodology of psychological research on the Internet.

### The key topics of the workshop are the following:

- Psychology of Social Networking & Mobile Interactions
- Psychology of Video Gaming & Cybersport
- Identity & Self-Presentation Online
- Digital Socialization
- Problematic & Pathological Online Behavior
- Online Cognition
- The Use of Immersive and Augmented Reality in Psychology
- Psychological Aspects of Cybersecurity

### Workshop Co-Chairs:

**John WATERWORTH**, PhD, Professor of Informatics, Department of Informatics, Umea University, Sweden

## PROCEEDINGS

The articles will be selected for the publication in the **IMS2021 Proceedings**.

All submissions will be carefully reviewed by the Program Committee. The authors will be given an opportunity to publish in English full-format articles of up to 12 pages in CEUR-WS (<http://ceur-ws.org>) indexed by DBLP and Scopus.

Full-format article requirements for CEUR:

- It should be prepared using new CEUR-style template (<http://ims.ifmo.ru/file/pages/10/CEUR-Template-1col.docx>).
- It should contain 6-12 pages.
- The language of the article is English.

## SUBMISSION

- Authors need to submit a paper to **IntPsy2021** workshop via the EasyChair system (<https://easychair.org/conferences/?conf=intpsy2021>).
- To be accepted to the workshop a paper must be original, not published anywhere else before or being under review.
- All papers undergo a double-blind peer review.
- The authors of accepted papers will be invited to participate in the workshop as speakers.

### Important Dates - Paper Submission & Registration:

**5 April 2021** – Deadline for papers / panels submission;

**5 May** – Notifications for acceptance;

**15 May** – Camera-ready papers submissions / authors early registration deadline;

**5 June** – Deadline for authors registration / Workshop Program Draft;

**15 June** – Deadline for participants registration.

**Due to the uncertain epidemiological situation, it is planned to hold the conference in a mixed mode - both in face-to-face format and with the use of online sessions.** Not showing up at the conference will automatically lead to the exclusion of the paper from IMS Proceedings and the workshop program.

**The "Information Society Technology Week"** incorporates the Conference "Internet and Modern Society" (IMS-2021, <http://ims.ifmo.ru/ru>) and the International Conference "Digital Transformation & Global Society" (DTGS-2021, <http://dtgs-conference.org/>, working language – English). You have a great opportunity to participate in the events of the two conferences.

## CONFERENCE LOCATION

The IMS and DTGS conferences will be held in the **ITMO University** (9 Lomonosova str., St. Petersburg, Russia), on 23– 26 June, 2021.
